making motorsport sustainable

Making motorsport sustainable for all.

We believe that making motorsport sustainable is no longer an option, if we want our sport and the environment to thrive and be enjoyed by future generations.

We run the risk of our sport being only available to manufacturers, if we fail to make motorsport sustainable for clubman events, competitors and spectators.

The future of motorsport is in our hands, join with us to make motorsport sustainable.

positive

for spectators

Make a positive difference by supporting motorsport.

Spectators can join competitors and events to make a positive difference for our sport.

We offer two packages of carbon offsetting that will enable you to contribute towards making our sport more sustainable.

We also offer unique supporting promotional materials, which can be used to show that you are helping to make a positive difference.

carbonpositivemotorsport.com

makes it fast and easy to offset your carbon

1

**Log on to our
Website page**

Simply visit
carbonpositive
motorsport.com/
purchase-offsets

2

**Select required
offsetting level**

Choose either a
carbon neutral or
positive offset level

3

**Register expected
fuel consumption**

State your expected
fuel usage in litres
for the vehicles you
wish to offset

4

**Payment and
certification**

Receipt provides
certification of
offsetting provided

positive for spectators

Offsetting your emissions benefits you and motorsport.

- Offers a practical and visible way for you to show your support in making motorsport sustainable.
- Helps events to address public consultation concerns and the increasing environmental demands made on events and organisers.
- Enables lower cost to all in motorsport through aggregating total carbon footprints.
- Helps make motorsport and events promotable and sustainable for the future.

positive **for people and the planet**

Make a positive difference by supporting motorsport.

We offer a range of unique merchandise that will help our sport make a positive difference for people and the planet.

We donate 25% of the profits from the sales of our high-quality recycled clothing to support not for profit schemes such as tree planting, rewilding and community activities.

As well as great looking merchandise that you will be proud to wear to show your support of our sport, we also make a long-lasting positive impact to people and the planet.
